Hello Brothers and Sisters of Rock Harbor Church!

WAY 2 GO!!!!

Above and beyond the call, I am hearing one story after another of Rock Harbor brothers and sisters standing by one another while the world in so many ways seems to be falling apart! So thankful and proud to be in a church family that is trusting and loving so well!

We closed our Sunday message with four action steps taking us into the next chapter:

- 1) Follow the WAY
- 2) Trust in GOD
- 3) Bless with GRACE
- 4) PRAISE the LORD

I hope these words have been helpful for you as I know they have been for me! In this letter, I would like to help clarify the WAY in terms of helping our church family understand the WAY in terms of the new and developing ways we are moving together into our life together as a church family, even as in this time we are physically moving apart.

It has been amazing to see how in so many ways God has provided clear direction and preparation for this little corner of His family called "Rock Harbor". This week in particular I have been so very thankful for the committed and gifted leaders who are helping navigate through these waters. Rock Harbor...this week thank God for the many incredible men and women helping develop and lead our way. It is the way we go as together we follow the Way, JESUS!

Each week I will send out a pastor's update. Especially in these first days, the information is so much, constantly changing with dynamic variables. We are sorting through and making sense of new social structures lines of communication and ways of living life while facing down this viral enemy. In each update I will seek to communicate detailed information concerning the way we are living our lives in this ministry.

At the top of the updates, I will highlight the BIG NEWS...those few most important announcements that may be of great significance for us all. Beyond these I will share NEW NEWS...those many and more specific announcements which are often pertaining to a more narrow scope of our family.

Once again...brothers and sisters...WAY 2 GO...YOU ARE FOLLOWING THE WAY!!!

following - trusting - blessing - praising

Your Brother in JESUS,
